MEMORANDUM FOR: 25X1A
[REDACTED]
SPECIAL ASSISTANT TO ASSISTANT DDA

SUBJECT: Home Leave for Overseas Personnel

A review of the Staff Study on above subject by this Staff with the Office of the General Counsel indicates that the points raised by us had been thoroughly considered. We accordingly withdraw our comments, inquiries and suggestions with the exception of the following:

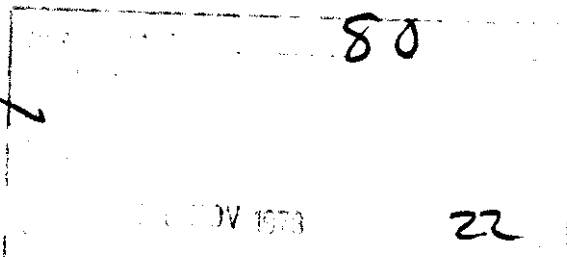

a. It is recommended that the effective date of any new regulation not be determined until there is confirmation from the Finance Division that an effective procedure for the handling of leave held in escrow has been developed. Ideally, such a procedure would be published concurrently with the new regulation.
